Referring to the grant we received from the CFNEM for Ice Storm clean-up, the gate has been closed up and Griff & Son will get us on his schedule to chip up the limbs collected.

In reference to the discussion held last month on the ADA compliance requirements needed to be done by April of 2028, we received recommendations from Mike's Computer Repair on what is needed to be done. He was able to get the website working and he fixed a few ADA items. An invoice of \$113.75 was received, motion by Harmon/Mullins to pay invoice #1971. Motion carried.

NEW BUSINESS:

A letter was received from William Spunar resigning from the Planning Commission and the Zoning Board of Appeals for personal reasons. Motion by Mullins/Harmon to regretfully accept this resignation. Motion Carried.

Supervisor Ostby felt as though we should raise the weekend rental fee because of the higher charge for the special cleanings. The board did agree with the need to raise the special rental fees and Supervisor Ostby will check on this.

BS&A, the software that the Treasurer and Assessor uses is switching from .net to cloud in the future. The cost for the switch is costly and then the annual fee will be greater. We could switch now or wait until they give an ending date to switch. Consensus of the board is to wait for the ending date to switch.

The Mikado Goodfellows is interested in putting a stone out front in the flower bed in remembrance of Mikado Goodfellows members. After discussion, motion by Sands/Mullins to have the Goodfellows follow thru with their plans.
